

## **National Volunteer Week is April 15-21<sup>st</sup>/Operation Clean Sweep Day**

**This year's National Volunteer Week will take place from April 15-21<sup>st</sup>.** We encourage all residents to consider donating some of their time and skills to a local non-profit or community organization that serves the needs of local residents. A great way to end this week is to consider participating in the 2018 "Operation Clean Sweep Day" taking place on Saturday April 21<sup>st</sup>. The focal point for cleanup on this day will be the portion of Route 17M from Airplane Park in the Village of Monroe to the intersection of Routes 17 and 17M in the Village of Harriman. This event is made possible through The Greater Monroe Chamber of Commerce, The Town of Monroe and the Villages of Harriman and Monroe. The success of this event relies on the generosity of our local businesses and volunteers. We hope to see you there!
