Re: APRIL REPORT

Date: May 9, 2019

Total hours worked in April was 58. Most of the time was devoted to research and filing, interluding answering phone and email requests for information. It it also included a weekly meeting with the Orange County Historical Society.

I did speak to a group of Girl Scouts one evening at Pine Tree School. Did meet with a group of people on the history of Monroe for the villages 125th anniversary celebration.

The Monroe Historical Society is sponsoring a speaker for May 11th at the Monroe Senior Center. The speaker Will be local Author Robert McCue who will speak on the Erie Main Line which ran through Monroe from 1841 Until 1982.

On June 8th the historical society's annual walking tour of the village will take place, which I will conduct. Also on that date a historical marker will be dedicated to the Village of Monroe Historic District. I obtained the funds for this marker from the Wm Pomeroy Foundation. This will be the fourth marker that they have funded in Monroe.
